

Remarks

Claims 1-37 remain pending. Applicants respectfully request reconsideration and allowance of all the claims.

Election/Restriction

The Office Action mailed April 11, 2005, requires Applicants to elect a specie for examination in two separate instances. In response, Applicants elect the following:

In response the first species election, Applicants elect Species A, wherein the video processor of claim 1 is included in the control unit. Claims 1-6, 11-14 and 17-37 are readable on the elected specie.

In response the second species election, Applicants elect Species A, wherein the "switch means" of claim 11 is integrated in the "control unit" of claim 1. Claim 1-8, 11-13 and 17-37 are readable on the elected specie.

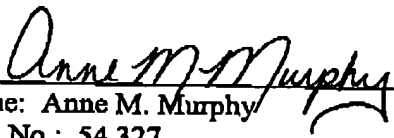

Upon allowance, Applicant reserves the right to request consideration of claims to additional species.

Conclusion

In view of the above amendments and remarks, all claims should now be in condition for allowance. Elections have been made to respond to the restriction requirements in the Office Action. Favorable reconsideration is respectfully requested. The Examiner is encouraged to contact the undersigned Attorney with any questions regarding this application.

Respectfully submitted,
